

V Tech Engineering

<https://www.indiamart.com/vtechengineering/>

We are a unique entity in the industry, actively committed to manufacturing an extensive array of Basket and Duplex Strainer. Also, these products are known in the market for their long life and easy usability.

About Us

Incorporated in the year **2010**, we **V Tech Engineering**, have uniquely positioned ourselves as the prominent manufacturers of an exceptional quality assortment of Basket and Duplex Strainer. Offered products range consists of Basket Strainer, Duplex Strainer, and Suction Diffuser. To manufacturer these strainer, we use high-quality components. Apart from this, these basket and duplex strainers ranges are admired due to their features like fine finishing, lightweight, and long service life.

These products are made under the strict supervision of our professionals and demanded by our customers for their quality. Also, our professionals are divided into several units. In addition to this, the offered range is provided at the most reasonable rate possible. Also, to keep standards of the quality, our professionals check this basket and duplex strainer on different quality parameters. We have conquered a great position in the market because of the perfect leadership and supervision of **Mr. Vijay Kumar**. The experience he holds in the market has uplifted the professional standing of the company.
